NEW OFFICERS

Our new official family was chosen at the Annual Meeting recently. Mr. Ralph Philo was awarded a Life Membership after serving two terms as president. We will all miss President Ralph. He did a fine job while in the chair and will be hard to follow.

Mr. Lee Trainor was elected president. He had served as First Vice President for two years under Mr. Philo. Mr. Eric Golby stepped up to Mr. Trainors job and Mr. Charles Schmidt was elected to the job of Second Vice President.

Mr. Schmidt is not new to the board. He has been serving as Chapter president and attending most of the board meetings. Welcome aboard, Smitty.

Both Mrs. John Tipton and Mr. D. U. Donaldson were re-elected secretary and treasurer.

Our new directors for the term of 1968-1971 are Mrs. Norman Brubaker of Vero Beach; Mr. Bill Whitman of Sunrise Chapter, and Mr. Walter Baum of Davie who was re-elected to his post. Mr. Paul Lanius of Venice was elected to fill the unexpired term of Mr. Red Draggoo who resigned due to health.

The first board meeting of the new year will be held on August 4th at Orlando.
